2941. **श्री अजीत जोगी :** क्या जल संसाधन मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या यूरोपीय आर्थिक समुदाय ने मध्य प्रदेश में सिंचाई परियोजनाओं के कार्यान्वयन के परिणामस्वरूप प्रभावित व्यक्तियों के पुनर्वास हेतु कोई सहायता दी है ;

(ख) यदि हां, तो तत्संबंधी ब्यौरा क्या है;

(ग) क्या इस पुनर्वास कार्य हेतु राज्य को अन्य स्रोतों से भी धनराशि उपलब्ध कराई गई है ;

(घ) यदि हां, तो तत्संबंधी ब्यौरा क्या है ?

शहरी विकास मंत्रालय में राज्य मंत्री और जल संसाधन मंत्रालयमें राज्य मंत्री (श्री पी० के० थुंगन): (क) और (ख) मध्य प्रदेश में यूरोपीय आर्थिक समुदाय से सहायता प्राप्त कोई सिंचाई परियोजना नहीं हैं।

(ग) जी, नहीं।

(घ) प्रश्न नहीं उठता।

सिंचाई परियोजनाओं के लिए गुजरात को आबंटित धनराशि

2942. **श्री कनक सिंह मोहनसिंह मंगरोला :** क्या जल संसाधन मंत्री यह बताने की कृपा करेंगे कि :

(क) वर्ष 1994–95 के दौरान केन्द्रीय सरकार द्वारा सिंचाई परियोजनाओं के लिए गुजरात सरकार को कुल कितनी धनराशि आबंटित की गई ;

(ख) केन्द्रीय सरकार से सहायता प्राप्त करने वाली सिंचाई परियोजनाओं का ब्यौरा क्या है ;

(ग) राज्य सरकार द्वारा इन परियोजनाओं पर अभी तक कुल कितनी धनराशि खर्च की गयी है; और

(घ) इन परियोजनाओं पर खर्च किये गये परिव्यय की प्रगति का ब्यौरा क्या है ?

शहरी विकास मंत्रालय में राज्य मंत्री और जल संसाधन मंत्रालय में राज्य मंत्री (श्री पी० के० थुंगन) (क) योजना आयोग ने वार्षिक योजना 1994-95 के लिए गुजरात राज्य में सिंचाई हेतु 596.83 करोड़ रुपये का परिव्यय अनुमोदित किया है।

Unutilized Irrigation Projects

2943. DR. NAUNIHAL SINGH: Will the Minister of WATER RESOURCES be pleased to state :

(a) whether it is a fact that although many unutilised irrigation projects have been constructed, yet no benefits from them have been derived as the distribution canal system has not been undertaken, if so, what are the reasons for such a state of affairs;

(b) whether it is also a fact that the biggest single malady in the major and medium irrigation sector, right from the First Plan, has been the tendency to start more new projects without completing the ones in hand;

(c) if so, the reason therefor; and

(d) what steps are being taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON): (a) Yes, Sir. There are instances where storage/diversion facility has been created but the work on construction of distribution system is lagging behind with the result that full benefits could not be derived from such projects. The main reasons for non-completion of distribution system are problems in acquisition of land and paucity of funds.

(b) Yes, Sir.

(c) Irrigation is a State subject and irrigation projects are planned, formulated and implemented by the State Governments out of their own plan resources.

(d) To ensure accrual of benefits from investment, the strategy adopted in the VIII Plan is to attach top most priority to completion of on-going projects which have made significant progress in implementation. The Planning Commission has started strict earmarking of outlays to important projects. Further, the Central Water Commission has been entrusted with monitoring of selected projects.
